ITALIAN CONFERENCE EXCHANGE 2016

Dear All,

The Italian Association of Junior GPs and GP Trainees, Movimento Giotto, is pleased to invite you to the **2nd Italian Conference Exchange** prior to our National Conference, the 6th and 7th May 2016 in Verona, the city of Romeo and Juliet.

Delegates will have the chance to learn about the Italian Primary Care System by shadowing a GP, participating to other PC activities and/or attend the local GP training school depending on the region of the country they will be allocated.

Please be sure to tell us your preference on which part of Italy you want to visit and note that depending on the placement you might be asked to start the exchange on the 2nd of May and book a local flight to reach Verona for the National Conference (i.e. Sicily).

Conference Exchange Schedule as follows:

- From 2nd or 3rd to 5th May GP practice visit, Primary Care activities and sightseeing.
- 6-7th May: **Movimento Giotto National Conference - LA VISIONE GLOBALE IN MEDICINA GENERALE Prospettive e percorsi nell'orizzonte delle Cure Primarie.** As you may guess from the Italian title this year we decided to focus our conference on the global perspective in Primary care. The conference will be mainly in Italian, however an English conference track will be available for international delegates. During the conference delegates will be asked to present their national Primary Care System in a dedicated workshop.
- **Rich social programme** throughout the exchange week.

Currently we have 15 placements for the exchange and the main conference. Delegates will be hosted by a local GP trainee during the Practice visit and Delegate would need to self-fund flight, during the exchange they will be hosted by a local GP trainee while they might be asked to provide for their accommodation in Verona.
