Reviewer panel invitation WONCA Europe 2016, Copenhagen, Denmark

November 2015

Dear colleague,

WONCA Europe 2016 would like to ask if you would be willing to serve as part of the reviewer panel and thereby contribute with valuable input to this great European conference on family medicine.

The conference will take place in Copenhagen 15th – 18th June 2016 and is organised by the five Nordic Colleges of General Practice. Reviewing abstracts is a crucial part of the preparations for the conference, and your help will, therefore, be much appreciated.

Each reviewer will be assigned bundles of five abstracts. The review process is fully automatic and reviewers evaluate the abstracts online using a simple scoring system.

The final deadline for submission of abstracts to WONCA Europe 2016 is 15th January 2016. The abstract review period will, therefore, be from November 2015 to early February 2016.

Please confirm your acceptance below if you want to become part of our team of reviewers.

Yes, I would like to be a reviewer

The Scientific Committee would like to express its gratitude for your contribution to the conference.

Yours sincerely,

Peter Vedsted
Chair of the Scientific Committee
21st WONCA Europe Conference 2016
