- FAYR-GP Conference: September 25th and 26th

The Conference: École d'Automne de FAYR-GP / FAYR-GP Fall School is a very interesting event for all those involved in research in primary care, eager to meet other young GPs from different countries or curious about the French health system. It will be **held in french**.

More info at <https://www.facebook.com/FayrGp> and <http://fayrgp.org>

Social program: you will be having lunch and dinner with FAYR-GP team during the conference.

Accommodation: free accommodation for 2 nights at the hotel with FAYR-GP team during the conference; accommodation for the nights before (primary care exchange) and after is not included.

What is included:

- Registration for École d'Automne FAYR-GP
- accommodation for two nights + lunch and dinner with FAYR-GP team during the conference

Not included:

- Accommodation and meals during the primary care exchange
- Travel expenses

There are **2 places** available for this Conference Exchange.

Selection will be:

- the candidate has a good understanding and speaking of French
- the candidate has not joined the conference before
- the candidate must play an active role in the exchange program and be active to spread the experiences in his/her working country.

You can send a motivation letter and curriculum vitae to international.fayrgp@gmail.com ; deadline for application is **August 23rd**.

Hope to see you soon! À bientôt!
